All textiles can be supplied in flame-retardant qualities that meet the requirements of the British Standard (BS) and California Technical Bulletin (CAL 117) fire safety law. All textiles are tested and certified for rigorous public use, unless otherwise stated.

*ATTENTION: Velour can have press marks (where pile naps have tendency to lay down) either from transport or in use. This is a typical property of velour and it is not to be seen as a defect.

FREDERICIA LEATHER

From surface finish to colour range, the leathers in the Fredericia Leather Collection are fine-tuned to complement the product range, both visually and in material tactility. The tanning processes are kept in enclosed systems to minimise local water pollution and environmental impact. All leathers are tanned in Italy. Each partner tannery is monitored and supervised to secure Fredericia's ethical and quality standards. All leathers comply as a minimum with the fire ratings British Standard (BS), and California Technical Bulletin (CAL 117).

TERMS AND CONDITIONS OF SALE AND DELIVERY

Orders
Orders are not finally accepted until a written order confirmation has been issued by Fredericia. Changes made to orders more than three working days after receipt of order confirmation may impact both delivery time and price and are subject to a minimum administrative fee. Cancellation of a confirmed order is subject to a minimum fee of 10% of the total order amount. In addition, if customised materials have been ordered and confirmed, an amount corresponding to the expense for such materials will be charged.

Delivery Times
Fredericia's general delivery times appear from the current price list. We offer Quick Ship on selected products.

Product range
Fredericia is entitled to discontinue production of certain products without notice. Fredericia offers upholstery in bespoke fabrics and leathers (Customers Own Material) after a material sample has been approved by Frederica's quality department. Note that Fredericia does not incur any fees for customs or any other charges in connection with reception of the materials. Please send materials to Fredericia 'DDP' (Delivery Duty Paid). In addition, we reserve the right to change the delivery time and charge a fee if the material is not delivered as prescribed above.

Dimensions
The stated dimensions are indicative and may vary, and deviations from the specified size of a product may occur.

Delivery
Delivery terms are stated in the specific applicable price list. The week of dispatch is stated in the order confirmation. Fredericia assumes no liability for direct or indirect losses attributable to delayed dispatch, and delayed dispatch will not entitle the Buyer to cancel the order. If a confirmed dispatch is postponed at the Buyer's request, Fredericia reserves the right to invoice the total order amount on the originally agreed date of dispatch.

Payment
In the event of failure to meet the terms of payment, interest will be charged as from the day after the last due payment date and until payment is made. Unless otherwise stated in the order confirmation, interest will be added at a rate of + 1.5% per commenced month as from the day after the due date of payment and until payment is made. Reminder fees are charged in accordance with the legislation in force. Failure on the part of the Buyer to pay for an order on time will be regarded as material breach of the Agreement. In the event of non-payment, Fredericia is entitled to withhold all additional deliveries to the Buyer. Fredericia incurs no liability as a consequence of the withholding of deliveries until the Buyer has paid the outstanding amount, irrespective of whether such deliveries are inter-connected in any way. Fredericia reserves its title to the goods sold until full payment has been made.

Returns
Returns are not accepted. If the Buyer wishes to return items, this may only be done subject to prior written agreement with Fredericia.

Warranty
Fredericia offers a five-year warranty against manufacturing and construction defects. Defects and deficiencies in and damage to materials, covers and finishing as well as damage caused by inappropriate use and the like are not covered by the warranty. The warranty does not cover leather, fabrics or other materials ordered separately by the customer.

Complaints
Fredericia undertakes to remedy all defects and deficiencies which are due to defects in materials, covers or finishing by either repairing or exchanging the goods. Small knots, stripes, colour differences, marked and faint rings of wood grains are signs of genuineness and are not regarded as defects or deficiencies. Inappropriate use and the like are not covered by the right to complain. If the Buyer is informed about defects and deficiencies, the Buyer must immediately notify Fredericia in writing about the complaint. Complaints must be made in writing and must include a detailed description of the defect/deficiency with accompanying photos. Fredericia will assess each individual complaint and may request for this purpose that the product must be returned for assessment for the Buyer's own account. If the complaint is justified, the defect or deficiency will be repaired or the product exchanged. Any visible damage to the packaging or shortages must be noted on the delivery note on receipt and subsequently be reported in writing to Fredericia. Non-visible damage must be reported in writing immediately upon discovery and within seven days of receipt at the latest. Even though the Buyer intends to place the goods in stock, the Buyer is obliged to check the goods for visible defects and report any visible damage within seven days of receipt of the goods at the latest. Failure to comply with these requirements means that the right to complain will be forfeited. The Buyer bears the risk for the goods being stored under normal storage conditions for furniture and for the condition of the goods during storage.

Product liability and limitation of liability
Fredericia is only liable for damage to property caused by the product if it is proved that the damage is caused by errors or omissions by Fredericia or its employees. Fredericia accepts no liability for business interruption loss, loss of profit or other financial consequences. To the extent that Fredericia incurs product liability to a third party, Fredericia's liability is limited to the value of the order in question or the amount for which Fredericia's insurance company may accept liability. The Buyer must immediately notify Fredericia of any claims for damages made by third parties against the Buyer due to damage caused by the product.

Disputes
All disputes arising out of this Agreement must be settled in accordance with Danish law. All legal actions must be brought at Fredericia's or the Buyer's venue at Fredericia's option.

Errors and omissions excepted.
