copenhagen

Massimo was founded in 2001 by Mads Frandsen. Our aim is to offer our customers excellent quality, first class service and competitive prices.

The creative team of Massimo is designing innovative handknotted and handwoven rugs for the contemporary home. Each rug is unique and entirely handmade based on centuries-old tradition and technique, seeking to create a dialogue between the established and the experimental, the past and the present. We are using the finest natural yarns, creating rugs that we believe to be precious, unique and having a long lasting value.

We love what we do and enjoy each step of our journey!

## EARTH

Massimo EARTH rug is made of best quality New Zealand wool which adds natural beauty and ensures easy maintenance. The natural properties of New Zealand wool makes it non-allergenic and fire-resistant which helps to create a safe and healthy indoor environment, and also it has a natural ability to resist dirt. New Zealand wool is made with animal friendly practices and it is sustainable, natural and biodegradable. New Zealand wool has long fibres and therefore peeling is minimized to almost nothing. In our opinion New Zealand wool has all the qualities to create the perfect rug. Underlay carpet is recommended. Suitable for domestic and contract use.

## REFLECTIONS

A collection of 4 high quality art print rugs designed by Henrik Dybdahl – printed on soft and velvety material which is extremely durable and easy to maintain. Henrik Dybdahl describes himself as a heritage adventurer and visual artist. He digs into archives, libraries and museums all over the world looking for visual gold. The findings are digitally enhanced, remixed and made into new pieces often published as limited edition fine art prints and now also as rugs. Suitable for domestic and contract use in areas with heavy traffic.
