Updated with a custom trailing-edge in line dimmer to utilise our new dim-to-warm technology and help set the mood in your space.

The knuckle fixtures are expertly crafted from 50mm dowels of FSC grade Oak and Walnut.

The smooth cylindrical forms are turned, sanded and buffered down to 48mm to minimise waste and accentuate the simple form.

Comes with a weighted satin brass base for extra stability and classic detailing. Features a 3 meter braided cord for those hard to reach sockets.

Pre-packaged with either a Sphere IV LED or the Voronoi I LED.
