New finishes

We renew the color range for lacquered woods and metals. These new references will be available from the 1st of July 2020.

Additionally, with the aim of facilitating the transition between the existing and the new offering, both groups of colors will coexist in our pricelist during the next six months.

Please see below the color range available, as well as the price groups to which they belong.

COLOR RANGE - NEW LACQUERED WOODS AVAILABLE FROM JANUARY 2021

CHAIRS AND STOOLS

The new chair by the versatile Piero Lissoni joins the collection with the soul of a true icon. Ears is as light in terms of materials as it is resistant to aging. Its sinuous shapes keep intact a style capable of taking us back in time to the contemporary classics of the 70s.

It is possible to choose oak wood finishes for the entire product, as well as combining its oak seat and metal structure. Both versions of the chair can be complemented with distinctive armrests, designed to embrace the user.

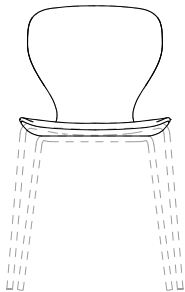

Its balanced arrangement (as reduced as it is comfortable) makes Ears a perfect option for different collective and private areas: meeting points, cafeterias, auditoriums, waiting rooms, educational spaces, work areas in libraries or lounges.

This new chair designed by the Italian architect means going back to the roots of industrial design, a tribute to the shapes and materials that so inspired Viccarbe's beginnings in the furniture industry.

SEAT OPTIONS

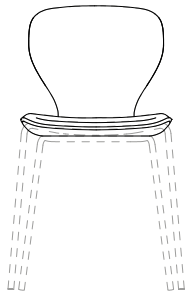

Stained

Stained curved oak plywood seat.

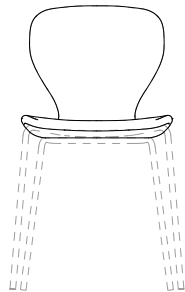

Combined

Stained curved oak plywood seat with cushion.

Smooth upholstery

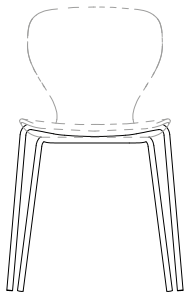

Curved beech upholstered.

BASE OPTIONS FOR CHAIRS

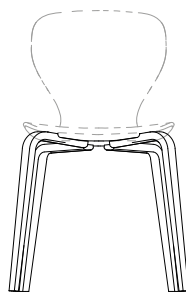

Four metal legs

Calibrated steel structure powder coated in thermoreinforced polyester in white or black. Plastic glides in black or white with or without felt.

Four wooden legs

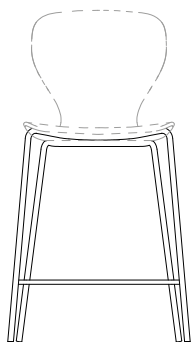

Curved legs in natural oak plywood with the finishes of our collection and white (open pore). Plastic glides in white or black.

BASE OPTIONS FOR STOOLS

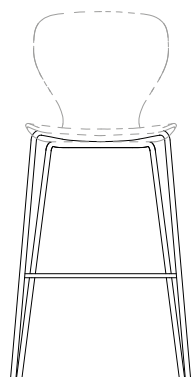

Four metal legs Counter stool

Calibrated steel structure powder coated in thermoreinforced polyester in white or black. Plastic glides in black or white with or without felt.

Four metal legs Bar stool

Calibrated steel structure powder coated in thermoreinforced polyester in white or black. Plastic glides in black or white with or without felt.

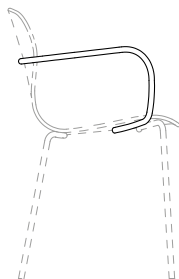

ARM OPTIONS

Metal arms

Calibrated steel arms powder coated in thermoreinforced polyester in black or white.

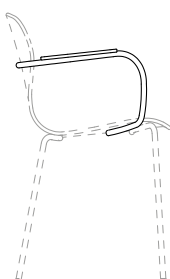

Available for all bases and seats
Not stackable with arms.

Metal arms with a solid wood armrest

Calibrated steel arms powder coated in thermoreinforced polyester in black or white with natural wood armrests stained with the finishes of our collection and white (open pore).

Available for all bases and seats.
Not stackable with arms.

CHAIRS AND STOOLS

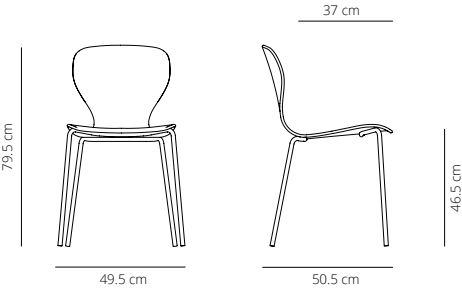

Calibrated steel structure powder coated in thermoreinforced polyester in white or black. Plastic glides in black or white with or without felt.*
Stackable up to 10 units for the non-upholstered version and 4 units for the upholstered versions.

NOTE: Due to the fact that the wood used is natural, the finish may vary.

Funda

BY STEFAN DIEZ

VICCARBE Novelties Price List 2020 EU

V01 Jul

CHAIR, LOUNGE CHAIR & STOOLS

The commitment to maximum sustainability and comfort shapes Funda, a new range of seats conceived by the outstanding designer Stefan Diez under the umbrella of creating an innovative and light chair. Funda means "cover" in Spanish.

This new collection is presented as a construction made up of two differentiated pieces that, thanks to its shape, simulate the gesture of two hands which embrace the user. The development of Funda has been based on combining a metal structure designed to last over time, and an upholstered seat that can be replaced after years of use or severe wear and tear.

Thanks to a technical fabric which can be used outdoor, in this case we simplify the usual components of a chair (structure, seat, fabrics) to structure and upholstery, without losing its resistance and comfort.

Funda represents the balance between precision and the human-centered approach of Stefan Diez. His constant search for both industrial innovation and visual appeal has achieved in this collection a curved and friendly shape, combined with an upholstery known for its wrinkles.

In this way, Funda manages to evoke the maximum expression of comfort and makes available the different pieces of the range to all types of environments: restoration projects, homes, intermediate spaces and office

CHAIR OPTIONS

Trino

BY ELISA OSSINO

LOW TABLES

The close relationship between Elisa Ossino and geometry is translated to the Viccarbe collection thanks to a new range of side tables.

Trino is born with a sculptural soul and stage vocation, with the inherent elegance of a design capable of expressing and complementing all types of interiors. The new Ossino tables are also easy to move thanks to a handle available in three different finishes: metal, solid oak and marble.

NOTE: Due to the fact that the marble and wood used is natural, the finish may vary.

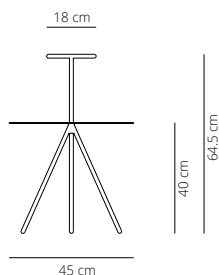

Function and form meet again on this occasion to promote conversation between objects and space.

Top and base in calibrated steel structure powder coated in thermoreinforced polyester in single-color black.

Available with three different types of handle:

- T-shaped model in calibrated steel powder coated in thermoreinforced polyester.
- Solid oak sphere model stained in natural matt finish.
- Marble sphere model in Indian Green color.

Maarten

BY VICTOR CARRASCO

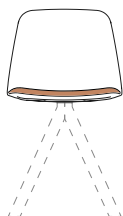

NEW OPTIONS

As one of Viccarbe's flagship collections, Maarten continues to expand, with a new low-back seat, perfect for creative, meeting and hospitality spaces. Additionally, the stool incorporates three new features:

- Sled base.
- Swivel base.
- Four-legged wooden base.

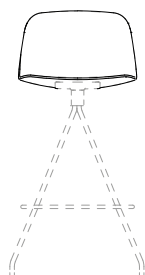

Upholstery available for smooth and soft version.

Sled base stool can be stacked up to 4 units for the upholstered and plastic chairs. We do not recommend stacking upholstered chairs for long periods of time as it can damage the upholstery.

SEAT OPTIONS

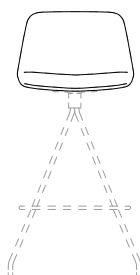

Plastic

Injected polypropylene seat in white, black, sand, dusty green, yellow ochre or brick.

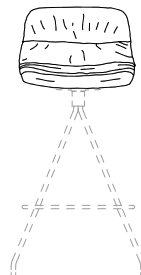

Smooth upholstery

Injected polypropylene seat with smooth upholstery in the finishes of our collection.

Soft upholstery

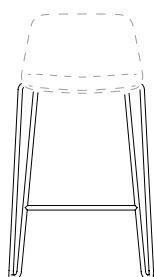

Injected polypropylene seat with soft upholstery in the finishes of our collection.

Copa Stool

BY RAMOS & BASSOLS

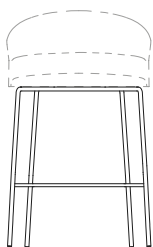

The comfort and rounded shapes of the Copa chair are transferred to new members of the family.

The stool, just like the chair, comes with a wide range of bases available: swivel and fixed, in wood and in metal, and in counter or bar height as well.

OPCIONES DE BASE PARA TABURETE

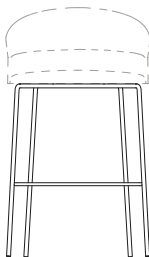

Fou legs metal base Counter stool

Quadra

BY MARIO FERRARINI

Quadra

2020, BY MARIO FERRARINI

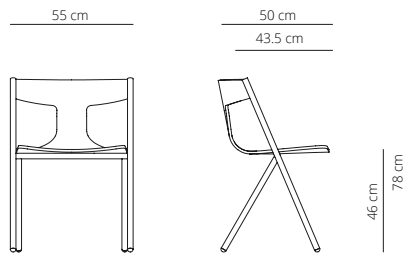

CHAIRS

Test certificates: UNE-EN 16139:2013vc2015

The iconic chair designed by Mario Ferrarini incorporates a new open-pore bleached oak finish. Thus it accentuates its minimalist aesthetic without renouncing the comfort of its wooden seat.

Calibrated steel structure powder coated in thermoreinforced polyester in white or black. Curved oak plywood stained in the finishes in our collection. Black or white plastic glides.

BY VÍCTOR CARRASCO

STOOLS

A plywood oak chair with the finishes from our collection. Optional cushion upholstered in fabric or leather.

Its name is a reference to the slot in its back, which serves both as a handle for moving it about easily and as a support on which to hang handbags and the like.

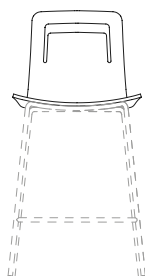

We use FSC certified wood.

SEAT OPTIONS

Lacquered /
Stained

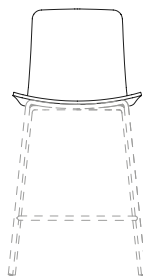

With handle

Curved oak plywood stained or curved beech plywood lacquered in the finishes of our collection, with the handle in the back.
Maximum weight supported by the handle: 15 kg

Without handle

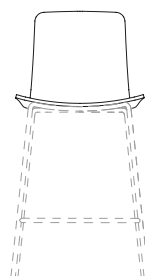

Curved oak plywood stained or curved beech plywood lacquered in the finishes of our collection, without the handle in the back.

Upholstery

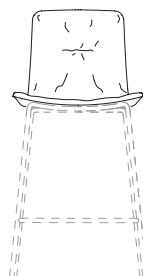

Smooth upholstery

Plywood natural beech chair covered by expanded polyurethane foam, smooth upholstery.

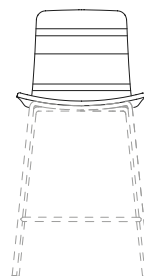

Soft upholstery

Plywood natural beech chair covered by expanded polyurethane foam, soft upholstery.

Lined upholstery

Plywood natural beech chair covered by expanded polyurethane foam, lined upholstery.

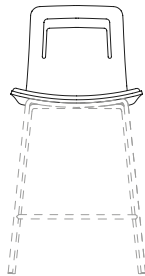

SEAT OPTIONS

Combined

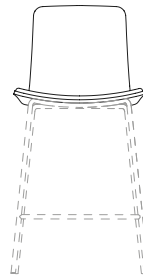

Stained / Lacquered with cushion and handle

Curved oak plywood stained or curved beech lacquered plywood lacquered in the finishes of our collection, with upholstered cushion and the handle in the back. Maximum weight supported by the handle: 15 kg.

Stained / Lacquered with cushion and without handle

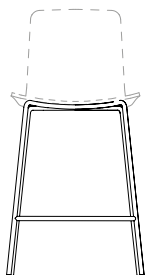

Curved oak plywood stained or curved beech plywood lacquered in the finishes of our collection, with upholstered cushion and without the handle in the back.

KLBR	black or white	75 €

Calibrated steel arms powder coated in thermoreinforced polyester in black or white.

Season Pouf

BY PIERO LISSONI

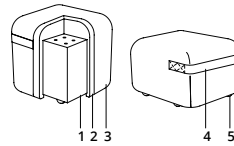

Season Pouf

2020, BY PIERO LISSONI

BENCH

Piero Lissoni's successful collection grows with poufs of new dimensions, maintaining the option of incorporating his intelligent system of hidden casters - very suitable for office and educational spaces where agility and dynamism are paramount - as well as his particular strap, making it easier to move around places.

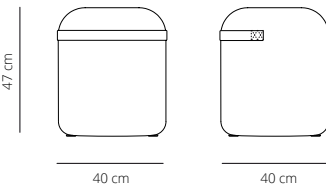

- 1- Interior structure in solid wood and perforated top of microparticles low in formaldehyde. We use PEFC certified wood.
- 2- Expanded polyurethane foam in different densities.
- 3- Fabric or leather.
- 4- Strap or belt produced in high-resistance technical fabric black, grey and red.
- 5- Hidden casters or height adjustment legs.

Needed fabric for material
1.40 m wide:
Season Pouf 40: 1.2 m

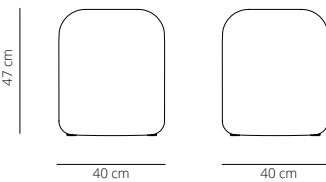

Pouf 40 fixed or with casters

With strap

10.2 kg
(x1) 45x45x53 cm (0.11 m³)

Without strap

10.2 kg
(x1) 45x45x53 cm (0.11 m³)
